Dear MADRIGAL Parents,

Beginning last summer, in our continuous efforts to provide the best possible care to our retreat guests and staff, Thousand Pines Camp Center is partnering with CampDoc.com.

CampDoc.com offers online registration and an electronic health record system for retreats. Their system will help us consolidate and integrate camper registration and health information into a centralized and secure location.

The security, confidentiality and privacy of your child's personal health information will always be protected. Only Thousand Pines Camp Center health staff will have access to student health information, and the CampDoc.com site is secure, encrypted and password protected.

Once you sign up for a CampDoc.com account, you will be able to register your child, select a session and complete the registration on line. You will then receive additional information about how to complete your child's health profile. You will receive periodic notifications from CampDoc.com if you have not completed the required health information. The \$155 camp fee will be paid directly to your UHS CHORAL BOOSTERS. Do not pay the fee online please.

We are excited to continually evolve, building safer, more productive and more efficient systems to create the best experience for you and your family!

Should you have questions, please email Mr. Estrada's assistant, Rena Hutchins, at uhschoral.rena@gmail.com.

Remember this is a time sensitive activity. We will need you to have completed the online registration and health info **no later than September 1**. This will take you approximately 20 minutes to complete.
